**PLEASE NOTE:**

This list has been made available by Midwest Child Care Association, a non-profit organization since 1980. We do not recommend or endorse the providers/centers that are listed, but they are licensed through the state of Nebraska or have a Child Care Subsidy Agreement with the State. They have all indicated they have openings for this publication and are willing to take First Responders, essential personnel or can be available if you have lost your normal child care arrangement. We have provided a list of questions that you can use to help assess whether the facility is the right match for you and your child. If you have further questions, please contact us at 402-551-2379.

**We are all in this together!**
